

21st International Conference HCI International 2024: A Gateway to Human-Centered Innovation

About the Conference

The 21st International Conference HCI International 2024 will be held in Orlando, Florida, USA, from July 26 to 31, 2024. This prestigious conference is organized by the International Federation for Information Processing (IFIP) and brings together professionals, researchers, and students from around the world to share knowledge and insights in the field of Human-Computer Interaction (HCI).

HCI is the study and practice of designing and evaluating computer systems that are easy to use, efficient, and enjoyable. HCI professionals work closely with users to understand their needs and preferences, and then design systems that meet those needs. HCI is a multidisciplinary field that draws on a variety of disciplines, including psychology, sociology, computer science, and design.

The HCI International conference is the world's largest and most comprehensive conference on HCI. It provides a forum for researchers, practitioners, and students to present their latest work, share ideas, and learn from each other. The conference features a wide range of presentations, workshops, and tutorials on all aspects of HCI, including:

* User experience design * User interface design * Usability engineering * Human factors * Social computing * Human-computer interaction in healthcare * Human-computer interaction in education * Human-computer interaction in industry * Virtual and augmented reality * Artificial intelligence * Machine learning * Data science

The HCI International conference is an essential event for anyone interested in the latest developments in HCI. It provides a unique opportunity to learn from the world's leading experts, network with other professionals, and stay up-to-date on the latest research.

Why Attend?

There are many reasons to attend the HCI International 2024 conference, including:

* **Learn about the latest research in HCI.** The conference features presentations on cutting-edge research from around the world. * **Network with other professionals in the field.** The conference provides a unique

opportunity to meet and connect with other HCI professionals from around the world. * **Get inspired by the latest trends in HCI.** The conference showcases the latest trends and developments in HCI, so you can get ideas for your own work. * **Advance your career.** Attending the conference can help you advance your career by giving you the opportunity to learn new skills, network with potential employers, and stay up-to-date on the latest research.

Who Should Attend?

The HCI International 2024 conference is ideal for anyone interested in HCI, including:

* HCI professionals * Researchers * Students * Designers * Developers * Product managers * Business leaders

Registration

Registration for the HCI International 2024 conference is now open. Early bird registration discounts are available until March 1, 2024.

To register for the conference, please visit the conference website:

<https://www.hci2024.org>

Accommodation

A block of rooms has been reserved at the conference hotel, the Hyatt Regency Orlando. To book a room, please call the hotel at (407) 284-1234 and mention the HCI International 2024 conference.

Transportation

The conference venue is located in the heart of Orlando, Florida, and is easily accessible by car, plane, or train.

If you are flying to Orlando, the nearest airport is Orlando International Airport (MCO). From the airport, you can take a taxi or ride-sharing service to the conference venue.

If you are driving to Orlando, the conference venue is located at:

Hyatt Regency Orlando 9801 International Drive Orlando, FL 32819

Additional Information

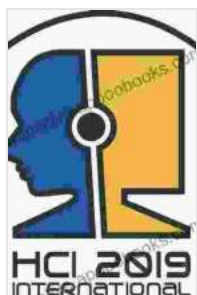

For more information about the HCI International 2024 conference, please visit the conference website:

<https://www.hci2024.org>

You can also contact the conference organizers at:

hci2024@ifip.org

We look forward to seeing you at the HCI International 2024 conference!
