Print length : 40 pages

The journey from early intermediate to intermediate piano playing is an exciting one, filled with new challenges and opportunities. This collection of piano pieces is designed to help pianists make this transition smoothly, providing a diverse range of styles and eras to explore.

The pieces in this collection are all carefully selected and graded to provide a gradual progression in difficulty. They start with early intermediate pieces that are accessible to pianists with a few years of experience, and gradually progress to more challenging intermediate pieces that will help pianists develop their technique and musicianship.

The collection includes a wide range of styles, from classical to romantic to jazz and ragtime. This provides pianists with the opportunity to explore different musical genres and develop their own unique style.

The Pieces

The pieces in this collection are all original compositions, written by a team of experienced piano teachers and composers. Each piece is carefully crafted to be both musically engaging and technically challenging.

The collection includes a variety of pieces, including:

* Sonatas and other classical forms * Romantic character pieces * Jazz and ragtime pieces * Blues and other popular styles

Each piece is accompanied by detailed performance notes, which provide guidance on fingering, articulation, and interpretation. These notes are designed to help pianists get the most out of each piece and to develop their own musical understanding.

Benefits of This Collection

This collection of piano pieces offers a number of benefits for pianists, including:

* A gradual progression in difficulty, which helps pianists develop their technique and musicianship at a steady pace. * A wide range of styles, which allows pianists to explore different musical genres and develop their own unique style. * Detailed performance notes, which provide guidance on fingering, articulation, and interpretation. * A great way to prepare for exams or performances.

This collection of piano pieces is an essential resource for pianists who are looking to make the transition from early intermediate to intermediate level. It provides a diverse range of styles and eras to explore, and it is sure to help pianists develop their technique and musicianship.
