Got Monster? is the most comprehensive guide to monsters ever written. It features over 100 different types of monsters, from the well-known (such as vampires, werewolves, and zombies) to the more obscure (such as the chupacabra, the Jersey Devil, and the Mothman).

Each monster entry includes a detailed description of the monster's appearance, behavior, and weaknesses. You'll also learn how to protect yourself from each monster, and what to do if you're ever attacked.

In addition to the monster entries, *Got Monster?* also includes a wealth of other information on monsters, including:

- The history of monsters
- The different types of monsters
- How to spot a monster
- How to deal with a monster
- And much more!

Whether you're a seasoned monster hunter or just a curious bystander, *Got Monster?* is the essential guide to the world of monsters.
