Mona Liza Santos was born into a family of poverty and addiction. Her parents were unable to care for her, and she was placed in foster care at

the age of two. Santos spent the next several years in a series of foster homes, where she experienced abuse and neglect.

In one foster home, Santos was beaten and locked in a closet. In another, she was sexually abused by a foster parent. Santos also witnessed violence and drug use in her foster homes.

Despite the trauma she experienced, Santos remained determined to succeed. She excelled in school and participated in extracurricular activities. She also found solace in writing and music.

Finding Hope and Healing

At the age of 16, Santos was adopted by a loving family. For the first time in her life, she felt safe and loved. Santos's adoptive parents encouraged her to pursue her dreams, and she went on to college and graduate school.

Santos is now a successful author and speaker. She uses her platform to raise awareness about the foster care system and to advocate for children in care. She is also a mentor to other foster youth, and she provides support and guidance to those who are struggling.

A Must-Read Memoir

Grown Up Too Soon is a powerful and moving memoir that will stay with you long after you finish it. Santos's story is a testament to the resilience of the human spirit, and it is a reminder that even in the darkest of times, there is always hope.

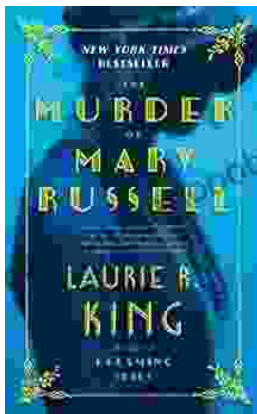

If you are interested in learning more about the foster care system or if you have been affected by foster care, I encourage you to read Grown Up Too Soon. It is a book that will change your life.
