Alison Treat's memoir, *One Traveler*, is an inspiring story of solo adventure and self-discovery. Alison shares her experiences traveling the world alone, from backpacking through Southeast Asia to volunteering in Africa. Her story is a testament to the power of stepping outside of your comfort zone and embracing the unknown.

Alison's journey begins in her early twenties, when she decides to quit her job and travel the world. She has always been fascinated by other cultures and has a thirst for adventure. She sets off on her own, with no set itinerary and no idea where she will end up.

Alison's travels take her to some of the most remote and beautiful places on earth. She backpacks through the jungles of Southeast Asia, climbs mountains in Nepal, and volunteers in a refugee camp in Africa. Along the way, she meets a cast of unforgettable characters and has experiences that change her life forever.

Through her travels, Alison learns about herself and the world around her. She discovers her own strength and resilience, and she learns to appreciate the diversity of human experience. She also learns the importance of following her dreams and never giving up on herself.
