As the Anarchy rages across England, the Welsh Marches become a lawless land, where outlaws and nobles alike vie for control. Gwenllian, a healer with a gift for prophecy, is caught between two worlds—the ancient traditions of her people and the encroaching power of the English Crown.

When a group of outlaws led by the charismatic Rhys ap Gruffydd attacks a nearby castle, Gwenllian is taken captive. As she becomes entangled in the outlaws' struggle against the English, she must confront her own destiny and the choices that will shape the future of her people.
