This guide is designed to be accessible to complete beginners, so even if you have no prior knowledge of music theory, you'll be able to follow along and start learning.

The Basics of Music Theory

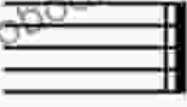

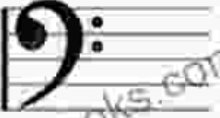

Notes

The building blocks of music are notes. Notes represent different pitches, and they are arranged on a musical staff. The staff is made up of five lines and four spaces, and each line and space represents a different note.

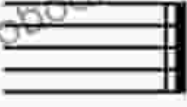

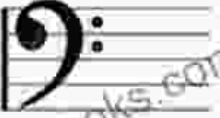

Scales

Scales are a series of notes that are played in Free Download. Scales are used to create melodies and harmonies, and they can be used to evoke different emotions.

	Definition and/or Symbol:		Definition and/or Symbol:
Bar Line		Sharp	# One half step up
Staff		Fermata	 Hold a note as long as you want to!
Measure		Slur	 Play legato
Double Bar Line		Natural	 Returns it to the original pitch
Treble Clef		Staccato	
Bass Clef		Legato	
Flat	b One half step down	Repeat	

Chords

Chords are groups of notes that are played together. Chords can be used to create harmony and accompaniment, and they can be used to create different moods.

	Definition and/or Symbol:		Definition and/or Symbol:
